Freya Dining Table

Design by Magnus Olesen

LEAD TIME: 12 weeks

The popular Freya series has been extended by Freya Dining Table. The first product in the Freya series was the classic Freya chair which now has found its perfect match in the Freya Dining table. Ideal for the modern dining room as well as for open space kitchen/dining areas. The strong , elegant wooden table signals high quality and design and is easily extended to suit up to 12 people for larger get-togethers. Not only is the table ideal in combination with the Freya chairs but also together with the new Freya Bench.
