DIVA

Designed by Thinking Works Design Studio.

LEAD TIME 12-16 week

Go beyond Diva's striking wooden exterior and discover a host of ingenious design elements, each cleverly concealed within the solid timber build and die cast aluminium features. From smart 'powered legs' that seamlessly run wires up from the floor, to a hidden under-carriage to conceal power leads, eye-catching aesthetics are only part of Diva's story. As for those 'high heels'? They house power sockets – and ensure the striking Diva lives up to its name. Commanding attention yet yielding to workplace practicalities, Diva blends style and substance with ease, offering a range of finishes and configurations to suit any office space. Exceptionally stylish; reassuringly practical. Discover Diva…and her many hidden surprises.
