

## INTERSTUDIO AUSTRALIA POSITION AVAILABLE!

**MAN IN A VAN****Location: Sydney studio (head office)*****The lowdown on what we require...***

Team Interstudio is seeking an enthusiastic and competent individual to join the team!

You will demonstrate patience, tolerance and accuracy, attention to detail, integrity and above all honesty to undertake this role. A proactive nature is important.

***Skills you might want to have up your sleeve...***

If you want this job you have to be of driving age and hold a valid Australian driver's license. Most employers require a driving record check. You may also be asked to complete a driving test with an employer to make sure you understand all road signs and are aware of set speed limits.

Communication is important because you will be interacting with the public and providing goods and services to customers on a daily basis. Drivers should always remain friendly and pleasant, Attention to detail, such as directions, addresses and delivery instructions, is crucial—getting lost is no excuse.

Educational requirements vary.

***Why we need you...***

To drive our company van with pride, deliver products like high end furniture, office furniture, install large furniture items, fabric rolls, etc. Other regular requirements include:

- Keeping driving records (i.e. mileage and petrol receipts) and this includes observing speed limits and obeying all road signs
- Performing simple vehicle maintenance (i.e. cleaning interior and exterior, taking vehicle for state inspections, filling tires with air, etc.)
- Loading and unloading delivery goods
- Informing supervisor of any vehicle problems
- Driving to and from delivery destinations
- Interacting with customers to obtain signatures and giving receipts
- Heavy lifting of packages and other equipment
- Some installation as per requirements

***Some little key additions to this would include...***

Delivery drivers for the business may be required to prepare to keep the van clean as often as possible as its a company vehicle and we value our pride and cleanliness. All drivers need to maintain a timely schedule and complete all deliveries as planned.

## ***What are the working conditions...***

Our driver would typically spend most of their day in their appointed vehicles, but many be required to work inside establishments and outdoors. Often you will have to get out of the vehicle to deliver to homes and businesses, and must interact with the customers and project managers, as well as working both inside the vehicle and at the delivery sites, which could be anything from an outdoor event to an important business project.

When you aren't delivering on the road, you would be in the office assisting the logistics team.

Hours to be discussed, but the driver will need to work (full time) daytime hours Monday to Friday. These jobs often require heavy lifting of packages other products, so start pumping iron now.

## ***Yep, there are office regulations...***

You will be required to adhere to the various operating policies and procedures in the workplace.

You must have permanent residency in Australia to be considered for this exciting role.

## ***Who the heck our team really is...***

Of course we are exactly like our furniture... 'hip, stylish and very expensive'. We also all look like Brad Pitt and Cameron Diaz. Aside from those big truths, Interstudio is a great supportive team within a fun, vibrant environment. Our new jazzed up location has created an extra buzz in the air and skip in our step.

## ***Man in the van and his package ...***

Contract details all to be discussed with one of our managers after an expression of interest.
