SPINAL CHAIR

Paul Leroy, *Designer*

Lead Time: 4-6 weeks

The elegant Spinal chair is capable of meeting any need, being equipped with fixed legs, and is rotatable.

The leg construction is made of matt-chrome steel, consisting of a four-legged structural Spinal column, which provides the chair's supporting base. The swivel link is an important element in the chair's flexibility, as the legs are fixed. With automatic return feature- a function which accommodates the need for order and structure at conference tables.

The Spinal Chair offers two seat variants including an upholstered shell, seat pad or laminated veneer. Both ideal for residential or hospitality/ canteen use. Upholstered Spinal is ideal for meeting rooms and conference rooms.

Dimensions:

Height: 780mm

Seat Height: 460mm

Width: 510mm

Depth: 510mm

Materials

Brushed Satin chrome steel, upholstery, laminated or stained FSC ply timber shell

Warranty

3 Years
