

Nanna Ditzel, *Designer*

Lead Time: 8-10 weeks

Trinidad was designed in 1993, it has long since achieved the status of modern classic.

The characteristic fan-shaped carvings of seat and back produce a light, summery effect that gracefully interacts with the light play in the room.

Available in maple, cherry, beech, birch and walnut, as well as black and white lacquer. New colours launched in 2007.

Stackable (without armrests)

The Trinidad chair is also available with an upholstered seat in fabric or leather.

Trinidad range also includes a bar stool version.

Winner of 1995 ID Award
