

### SIX INCH, Designer

Lead Time: TBA

For those that are always on the go, a fun stackable ottoman or stool to bring out the gypsy in you. Trick your friends into thinking you are moving house with this fun product!

Six Inch uses the unique technique of foamcoating; this replaces normal fabrics and upholstery. Instead of using leather or fabric the product is sprayed with the flexible coating directly onto high density foam. The coating looks and feels great, is waterproof, no stitches, and any colour or dimension is possible.

The Box can be used anywhere, residential, bars, clubs, restaurants, boats, public spaces...
