

SPINAL (4 leg)

Paul Leroy, *Designer*

Lead Time: 2 - 6 weeks

Spinal is a multi-purpose chair that can be used for both commercial and residential interiors. It is sturdy and easy to maintain – without compromising on elegance or unique expression.

The seat of the chair is concave with a pleasant, slightly springy effect which is made of laminated veneer. Spinal is also available in white laminate with exposed plywood edges or in black lacquered oak veneer.

The frame is made of polished, chrome-plated steel and has a simple design that aims to achieve harmony with the elegant shell shape.
