BEKKO

Toni Basile, Designer

New sled & WIDE Bekko versions

Lead Time: 4-6 weeks

Multi purpose chairs series: ergonomically contoured, molded beech plywood shell.
Finished in clear lacquer, stained, painted or upholstered in fabric, vinyl or leathers requested.
Upholstery padding available in two thicknesses.
Stacking chair & armchair. Frame finished in polished bright chrome with optional linking device.
Transport trolley available in painted finish.
Bar stool, beam seat and task chair also available.
FSC timbers, water-based glues, high green star rating.
Now available on sled frame, or with wider seat. Bekko can now be upholstered with pleated seam detail.
