Cafe Table Collection

by Emeco

The Cafe Table Collection is available to suit many applications. With the brushed chrome finish the Cafe Table is suitable for outdoor use.

Available as a Bar Height or Cafe Height in round or square.

Emeco says they are on a mission to make a positive impact on the environment. Our goals are to use waste material in our products, use as little energy as possible in our manufacturing, generate a minimum of waste in the process, and build strong, durable, beautiful chairs that last through generations. We've been on the same mission since 1944 and we will continue to search for new ways to recover and utilize discarded materials and make products that last.
