Dune

By Offecct

Dune offers an exciting new response to the constantly changing needs of our work places and public spaces. Dune has been developed for the spheres where the need for informal meetings intersects with the demand for relaxed seating.

“We are really satisfied with the lightness of Dune. Despite being so delicate, Dune stands firmly on the ground and offers possibilities to interaction, face to face and digital”, says designers Anna Lindgren and Sofia Lagerkvist, the members of Front.

Dune is upholstered with a lacquered frame and table tops in MDF.

Benefits & functions

- Can easily seat up to eight people.

-The table tops can be equipped with the latest generation USB-sockets. The sockets are available in aluminium or brass.

- Can be upholstered in fabric or artificial leather.

- The table tops can be equipped with a jacket hanger.

The frame is available in Offecct Flexicolor.
