PAUSE STOOL

DESIGNED BY BUSK + HERTZOG FOR MAGNUS OLESEN

LEAD TIME: 12 -14 weeks

Light and modern bar stool in a pure design, matching today's demand for a

“bench bar” – bar chairs in rows at the bar table for companies, restaurants, bars, cafes and canteens. The bar stools have a slightly curved seat with good seating comfort and the possibility to get seated from all 4 sides. Available in two heights, both with footrests.

DIMENSIONS:

Barstool W410 x D350 x H810

Kitchen stool W410 x D350 x H650

MATERIALS

Frame: Metal

Top: Moulded plywood with laminate, linoleum, veneer or fully upholstered
