DESIGNED BY THINKING WORKS DESIGN TEAM

LEAD TIME: 12-14 weeks

Diva 1.1 – the younger sister of the beloved Diva. Showcasing the same striking wooden exterior, and featuring a cleaner, more streamlined design, Diva 1.1 offers a more cost-effective and flexible solution for the modern workplace.

With ingenious cable reticulation concealed within solid timber legs, and the option to supply power via our Seamless Power Modules, there's more to Diva 1.1 than meets the eye.
